CARSON WENTZ AO1 FOUNDATION TO PARTICIPATE IN GIVING HEARTS DAY 2020

PHILADELPHIA - The [Carson Wentz AO1 Foundation](#) has announced it will participate in [Giving Hearts Day](#) (GHD) on February 13, 2020. GHD is a 24-hour fundraising event for charities in North Dakota and northwest Minnesota, which has raised more than \$70 million since its inception in 2008.

GHD provides a platform for more than 470 charities to fund their missions through an ever-increasing community of donors and has become one of the longest-running and most successful giving days in the country. GHD is co-hosted by the Dakota Medical Foundation, the Impact Foundation and the Alex Stern Family Foundation.

All funds raised in support of the AO1 Foundation on GHD will benefit the [Outdoor Ministry](#), which aims to serve children in the Midwest with physical challenges, life-threatening illnesses (past and present) and the underserved in order to "foster a genuine passion for outdoor activities and bring people closer to God through discipleship." The Outdoor Ministry is divided into two programs: [Camp Conquerors](#) and [Mountain Movers](#).

Camp Conquerors provides children with an opportunity to experience the outdoors like they never have before and exposes them to a gospel-centered curriculum designed to develop an appreciation for the outdoors, improve self-worth and self-confidence and to establish healthy relationships. The Mountain Movers program offers children once in a lifetime hunting and fishing experiences while mentoring them in the Gospel through small group discussions.

The AO1 Foundation has provided more than 130 outdoor experiences for children through the Outdoor Ministry since its launch in 2017.
