## **CARSON WENTZ AO1 FOUNDATION TO BE FEATURED ON ARCA SERIES CAR FRIDAY AT POCONO RACEWAY**

**PHILADELPHIA** - NASCAR driver Sam Mayer will be featuring custom artwork on his No. 21 car to support the [Carson Wentz AO1 Foundation](#) on Friday, June 26, 2020, at Pocono Raceway. The race will be live on FS1 at 6 p.m. EST.

Mayer, a fellow Capture Sports Marketing client, is the youngest champion in NASCAR history. Currently signed with GMS Racing, Mayer has built an impressive resume and continues to climb the ladder of stock car racing.

"I love how the car turned out, and I'm really excited to watch Sam. I love his faith and willingness to be bold about it at such a young age! It's also amazing what he's been able to accomplish this quickly in his NASCAR career and I know big things are ahead for him," said Carson Wentz, president of the AO1 Foundation. "We are grateful for his support of the foundation, and we wish him the best!"

Capture Sports Marketing announced their partnership with Mayer to feature nonprofit organizations founded by professional athletes from the National Football League and the National Basketball Association on his cars for all ARCA Series races in 2020.

"The nonprofit paint schemes are not only going to look awesome, but they are a way for race fans to become aware of nonprofits that are helping people during the challenging times we're in," said Mayer. "I'm thankful that during all of my ARCA series races I can also play a small role in helping others and encouraging fans to support nonprofits founded by professional athletes. I'm going to work hard to bring their names to victory lane!"
